## PLEASE READ AND SIGN BELOW

The Office of Residence Life tries to accommodate student housing and roommate preferences based on their housing application profile. SU cannot, however, guarantee that all students will be assigned their first choice of housing/roommate. Priority for assignment is based on a variety of factors, including but not limited to, date of enrollment deposit and your responses on the forthcoming housing questionnaire. I understand that the University reserves the right to determine final selection for housing. Further, I understand that this housing request is for the entire 2017-2018 academic year.
