

Employers offering commission-based job opportunities are able to take advantage of Stevenson University's recruitment resources if your organization meets all the following criteria:

- Does not charge prospective employees for training or testing
- Does not require prospective employees to purchase products, services, or supplies contingent upon their employment with, or on behalf of, that company/individual
- Does not charge prospective employees for start-up fees and/or kits
- Specifies upfront the required training, licensure, certifications and testing
- Details the position's compensation structure, including how and when prospective employees will be compensated, including during and after any required training
- Is not based on a "pyramid" or "multi-level" type networking structure requiring or encouraging the recruitment of others who recruit others, etc. to sell products or services

**I have read and agree to abide by the above university policies.**
