

Promote Your Company & Opportunities:
Host a Business Breakfast Hour!

What Is It? The Business Breakfast Hour at Stevenson University allows employers to connect with Stevenson students in a casual environment, allowing employer's to share information about their company and/or opportunities within, increasing brand awareness and recognition on campus. This is also a great opportunity to meet potential interns or employees!

When & Where? Dates are available throughout each semester. Contact Career Services to find a date that fits your schedule! All Business Breakfast Hours are scheduled from 9:00-11:00AM on the Owings Mills campus, in the main lobby of the Howard S. Brown School of Business and Leadership.

Who Will You Meet? Because the event is in the School of Business, the most common majors you will meet are Business Administration, Accounting, Information Systems, Legal Studies, and Fashion Merchandising. If other majors are sought for your positions, please let us know and we will send targeted messages to those majors. Freshmen, sophomores, juniors, seniors, Master's level students, alumni, faculty and staff – you could interact with anyone!

What to Bring? Breakfast! We will have a dressed table ready for you, along with chairs. We ask that employers bring a breakfast item that can be shared with students as they interact with company representatives. You are welcome to bring your own table cloth, promotional or informational materials, or anything else that you might share at a career fair. For planning purposes, Dunkin' is located in the shopping center right out front of the campus!
