EDUCATION

Bachelor of Science, Elementary Education: Liberal Arts and Technology, May 2015

Stevenson University, Stevenson, Maryland, GPA: 3.73/4.0

TEACHING EXPERIENCE

Senior Year Internship, September 2014-May 2015

Sparks Elementary School, Grade 2, Sparks, MD and Cedarmere Elementary School, Grade 2, Reisterstown, MD

- Administered an Informal Reading Inventory, DIBELS, and Running Record to analyze a student's reading abilities
- Created a professional development plan that included goals for integrating technology into lessons
- Provided instructional support in reading and phonics for students with IEPs
- Adapted instructional activities in mathematics by providing higher level tasks to meet the needs of diverse learners
- Conducted a Student Impact Study focused on using number talks to improve addition and subtraction fact fluency
- Taught successful lessons in subjects such as reading, phonics, math, science, health, and social studies
- Developed a WebQuest for second grade students that focused on the Chesapeake Bay in Maryland

Junior Year Field Placement, January 2014-April 2014

Piney Ridge Elementary, Grades 4 and 5, Eldersburg, MD

- Created and implemented a behavior management plan that monitored student behavior using class stars
- Facilitated a problem-based lesson on fractions to a fourth grade STEM class
- Planned a five day science unit that integrated technology including Kidspiration, Glogster, and Pixie

Junior Year Field Placement, September 2013-December 2013

The Odyssey School, Grade 3, Stevenson, MD

- Modified an inquiry-based science lesson on the food chain to meet the needs of students with dyslexia
- Integrated the SmartBoard into a lesson on internet safety to engage students in their learning
- Prepared a student-centered lesson on Antarctica that promoted discovery and active learning

Sophomore Year Field Placement, September 2012-April 2013

Carrolltowne Elementary School, Grade 4, Eldersburg, MD

- Analyzed a case study on a child with special needs and suggested appropriate assistive technology such as a Vantage
- Administered a Functional Behavioral Assessment and interpreted the results

WORK EXPERIENCE

Child Care Provider, December 2011-December 2014

- Mentored children between the ages of 2 to 12
- Assisted children with their homework and provided fun and interactive activities

Teacher's Aide, Faith Baptist Child Development Center, August 2009-May 2011

- Supervised small groups between the ages of 2 to 6 during free play
- Aided teachers with their lessons by answering student questions and redirecting students back to the lesson
