Anne Arundel Community College

Information Assurance and Cybersecurity (Digital Forensics AOC)

This transfer plan is intended for students pursuing an Associate of Applied Science in Information Assurance and Cybersecurity: Digital Forensics AOC at Anne Arundel Community College who are interested in pursuing a Bachelor of Science in Cybersecurity and Digital Forensics. The equivalencies below demonstrate how a student can meet both the requirements of the associate degree and prepare for a seamless transfer to Stevenson. Stevenson participates in reverse transfer should students transfer after completing 15 credits at Anne Arundel but before completing the full associate's degree. Please note:

- Only courses that have course equivalencies are displayed. This guide does not show all transferable courses from this college. It also does not display all Stevenson University courses that will fulfill a specific requirement.
- Program requirements must be completed with a grade of C or better, and general education courses must be passed with a grade of D or better.
- Transfer plans are intended to be used as planning tools. If you need additional assistance in selecting courses to take prior to transferring to Stevenson University, contact Stevenson Admissions at 443-352-4450.
