

Transfer Plan
Anne Arundel Community College
Psychology, Arts and Science Transfer

This transfer plan is intended for students pursuing an Associate of Arts in Psychology, Arts and Science Transfer at Anne Arundel Community College who are interested in pursuing a Bachelor of Science in Psychology at Stevenson University. The equivalencies below demonstrate how a student can meet both the requirements of the associate degree and prepare for a seamless transfer to Stevenson. Stevenson participates in reverse transfer should students transfer after completing 15 credits at Anne Arundel but before completing the full associate's degree. Any student who enters Stevenson with an A.A. or A.S. degree will have completed all general education requirements. Please note:

- Only courses that have course equivalencies are displayed. This guide does not show all transferable courses from this college. It also does not display all Stevenson University courses that will fulfill a specific requirement.
- Program requirements must be completed with a grade of C or better, and general education courses must be passed with a grade of D or better.
- Stevenson University will accept up to 70 credits from 2-year institutions. Up to 90 credits can be applied to degree requirements from a combination of 2-year institutions, 4-year institutions, and non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores). For additional information about credit transfer, please see: <http://www.stevenson.edu/admissions-aid/getting-started/transfer-students/transfer-credit-evaluation/>
- For scholarship information please see the "Paying for College" page on: <http://www.stevenson.edu/admissions-aid/getting-started/transfer-students/>
- Transfer plans are intended to be used as planning tools. If you need additional assistance in selecting courses to take prior to transferring to Stevenson University, contact Stevenson Admissions at 443-352-4450.
