\*Expired certificates are not accepted for credit. Students must submit official documentation of certificate completion to receive credit.

\*\*Credit awarded for professional certificates is included in the maximum number of credits students can earn from a combination of 2-year institutions, 4-year institutions, and non-direct classroom instruction as described in the Stevenson University catalogs.

Professional certificates not listed above may be accepted for credit upon review by the academic program administrator. Prospective students should contact an Enrollment or Admissions Counselor to determine if a certification will be accepted for credit. Current students should contact their Student Success Coach or Academic Advisor.
