Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

In general, no more than nine credits/three courses will be accepted for transfer credit. All requests for transfer credit will be reviewed on an individual basis. Master's courses are generally not accepted for transfer credit. Classes previously taken in another doctoral program in psychology that were not applied to a terminal degree will be considered for transfer credit. A syllabus and/or other supporting materials may be required in order to evaluate a course for transfer credit. Transfer credit will not impact time to program completion.
