#### *Confidential Counseling Services*

Free, non-judgmental counseling is available in the Wellness Center by trained professionals.

#### *Medical Services*

Health services are free of charge and can provide treatment for injuries, STDs, and/or pregnancy. Please keep in mind that the Wellness Center cannot collect forensic evidence; only locations that offer S.A.F.E. exams (see below) offer this service.

### **Off-Campus Resources**

Lighthouse Services Inc., to report sexual misconduct, including harassment, assault, rape, and related complaints. 844-709-6000

<https://www.lighthouse-services.com/Stevenson/LHILandingPage.asp>

Reports of sexual misconduct can be submitted by phone or online. If you choose not to reveal your name in your report, the University's Title IX Coordinator will still be able to communicate back-and-forth with you using Lighthouse as the intermediary.

Wellness Center After-Hours Phone Line (through FONEMED) 800-245-4691

Available to students 24/7, this confidential resource will provide a clinician to deal with emotional, academic, relationship, drug, or other issues including sexual misconduct. There is no charge to students.

GBMC S.A.F.E. Exam (Sexual Assault Forensic Evidence)  
Private Hotline 443-849-3323  
24 Hour Urgent Care Line 443-849-2225  
<https://www.gbmc.org/safe>

The SAFE Program at GBMC is coordinated by Registered Nurses, who are specifically trained and certified by the Maryland Board of Nursing to care for victims of rape, sexual assault, child abuse, and intimate partner violence. The SAFE nurses perform detailed medical-forensic examinations and documentation and collect forensic evidence to be submitted to the Baltimore County Police Department Crime Lab. These services are provided in a private, secure suite which is separate from the GBMC Emergency Department, once the patient has been evaluated for other injuries by an Emergency Department Physician.

Mercy Hospital S.A.F.E. Exam  
410-332-9000  
<https://bmoresafemercy.org/>  
Provides services similar to GBMC; located in Baltimore.
