An Employer’s Perspective:

Employment of those working in clothing, accessories, and general merchandise stores is expected to grow at an average rate of 17 percent between 2010-2020 decade. Those with formal education, such as a Bachelor of Science in Fashion Merchandising, will have the best opportunities for advancement. Job opportunities should be best in urban areas New York City and Los Angeles.

Salaries:

Salaries are dependent upon the industry, level of position, and geographical region. A few good resources for researching salaries of specific jobs within various industries are www.salary.com and www.payscale.com.
